

Partnering with a broker who knows and understands Non-Profit Organizations from start to finish only makes sense. Acting as an extension of your company, we help you make educated decisions at each step of your Risk Management and Commercial Insurance business plan. With over 90 years of experience, Crum-Halsted provides business insurance and employee benefits solutions to Non-Profit Organizations.

We have established over 100 strong relationships with international, national, regional and niche insurance carriers who specialize in insuring Non-Profit Organizations. Crum-Halsted's objective is to help Non-Profits in lowering their overall cost of risk by creating customized risk management and insurance solutions coupled with outstanding service.
